THE NATIONAL ARCHIVES

WASHINGTON: 1980

INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jistine Turner and William D. Grover, who also prepared these introductory remarks.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the name of your father and those of your other ancestors through whom you claim Cherokee blood and who were living in 1875 and 1881, do not appear on the Cherokee rolls of those dates.

Do you claim any Indian descent whatever through your mother? If so, give the names of her parents and her brothers and sisters.

Were you or any of your ancestors ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Have you been enrolled by the Dawes Commission? If so, give the number of your enrollment and indicate on what roll your name appears.

Give the names of those ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived, and whether they took part in the tribal councils.

Very respectfully,

WLF/LLJ

Appl. # 4091-42361

Mrs. Nancy Spencer being first duly sworn, deposes and says:

My name is Nancy Spencer. I live at Lagarville, Ark. I was born in the Choctaw Nation. I am 25 years old. I claim my Indian name through my mother, whose maiden name was Mary Mays. She was born in Johnson Co. Ark. She is about 55 years old. She is still living, but did not file an application because she did not know about it in time. She always lived in Johnson Co. Ark. principally. She gets her Indian blood through her father, Charles Mays. I don't know when or where he was born. My mother's cousin was Chief in the Cherokee tribe of Indians. His name was Mays. I don't know his given name. I don't know my grandfather's name. My cousin lived with the Cherokees in the Territory. I don't know whether he had any children. I don't know whether he lived with the Cherokees in Tenn. or not. I don't know whether he was ever enrolled. None of my ancestors ever received any money or land from the Govt. on account of their Indian blood. I did not make an appl. to the Dawes Commission until last summer, and it was too late. I never heard of my ancestors speak of the treaty of 1835.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Kindly give the names of your grandparents in full on the side through which you claim together with those of their children, also furnish us with the date of your birth.

Have you been enrolled by the Dawes Commission? If so, give the number of your enrollment and indicate on what roll your name appears.

Did any of your ancestors ever participate in any Old Settler payment? If so, state when and where.

Give the names of those ancestors who ever lived with any Indian tribe, also the name of the tribe, and state when each lived with such tribe, naming the county and state where they then lived, and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

Madam,

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why your name does not appear on the Cherokee roll of 1851, and why that of your mother and those of your other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Did you or your mother ever participate in any Old Settler payment? If so, state when and where.

Have you been enrolled by the Dames Commission? If so, give the number of your enrollment and indicate on what roll your name appears.

Give the names of those ancestors who ever lived with any Indian tribe, also the name of the tribe, and state when each lived with such tribe, naming the county and state where they then lived, and what part, if any, they took in the tribal councils.

Reply promptly, referring to application #42737 with #42363.

Very respectfully,

Special Commissioner.

I am 42 years of age. I claim my Indian blood through my mother and her mother. My mother is dead, but my mother's mother is still living. My father is a white man and my wife is a white woman. ~~XXXXXXXXXXXXXXXXXXXX~~ My mother was sixteen years old when I was born. She was born in Bates County, Missouri. My grandmother was born in Cole County, Missouri. I think my grandmother claims to be one-eighth Cherokee. My grandmother's parents died there in Cole County. She gets her Indian blood from her mother. I think my grandmother's mother came from Tennessee but I don't know what County. Neither I, my mother nor her mother lived with the Indians as a member of the tribe that I know of. None of us were ever on any Indian roll that I know of. None of us applied to the Laws Commission for enrollment. None of my people that I know of ever received any land or money from the Government by reason of their Indian blood. I am recognized in the community where I live as a white man, but everybody that knew though that there was Indian blood in me. Elijah Weaver is my grandmother's full brother. My great grandmother's name was Betsy Weaver, maiden name Betsy Gilmore. My grandmother has two first cousins living by the name of Narcissa Gilmore, who lives near Baxter Springs, Kansas, and Elijah and Fount Gilmore who also live near Baxter Springs. Both of my sisters married white men.

COURT OF CLAIMS
EASTERN CHEROKEES.

JUL 3 1908

4257.2

42272

Waynesboro, Tenn., June 30, 1908.

Guion Miller, Special Commissioner,
Washington, D. C.

Dear Sir:

Eastern Cherokee Enrollment, No. 42382-42292.

Your notice of the 22nd inst., that Mr Foutz, one of your assistants would be at Florence, Ala., on June 24, 1908, at 10, O. Clock A. M., to take evidence relative to my claim, came to hand on the 25th inst., when it was too late for me to go to Florence for that purpose. My mother Sarah E. Greeson did not receive hers until the 26th. You see it was too late, if we could have gone.

Now, Mr. Miller, we are very anxious to establish our claim in this case, and think you ought to arrange it more convenient for us to give in our proof for that purpose. Florence is 40 miles from this place, and we have no railroad. My mother is getting old, and we are poor people, and do think you could arrange it more for our convenience. Why could you not send your agent to Waynesboro? He can come to Allen's Creek from Dickson, Tenn., and come out on the mail line from there to Waynesboro, where we will meet him and be ready to give our evidence, if we are notified in time of his coming. If you cannot come here--could you not arrange for him to come to Clifton, on the river, 16 miles from here?

If you cannot arrange for our convenience in this matter on some future date--would you not be so kind as to furnish us with a statement of the character of proof wanted, and allow us to give in our evidence before some notary public here?

Please give this matter your careful consideration and do the very best you can for us, and let me hear from you.

My sister, Mrs. W. J. Belew, and mother Mrs. Sarah E. Greeson joins with me in making this request of you.

Thanking you for an early hearing, I am,

Yours truly,

S. E. Greeson

Atterson M. Robbins,
Stigler, Okla.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents do not appear on the Cherokee roll of 1851, and why those of your other ancestors who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Kindly furnish us with the full names of your grandparents on the side through which you claim, together with those of their children.

If you claim any Indian descent through your father, why has he not made application? Have you been enrolled by the Dawes Commission? If so, give the number of your enrollment and indicate on what roll your name appears.

Did either of your parents or any of your ancestors ever participate in any Old Settler payments? If so, state when and where.

Give the names of those ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived, and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

Atterson M. Robbins being first duly sworn, deposes and says:

That I am 43 years of age. I claim my Indian descent through my mother; my father was a white man. My wives have been white women. Don't know which of my grandparents my mother claimed the through. My mother was about 40 when she died. Seaton was the name of my mother's parents but I don't know their given names. Solomon Seaton was her grandfather. My mother was born in Hardin Co., Tenn. My mother never lived with the Indians as a member of the tribe. Some of her ancestors, I think, did. I don't think that either of my mother's parents resided with the Indians. Think some of my great grandparents were on the roll but I forgot their names. I am recognized as a white man in the community. J. Hugh Seaton was one of my mother's brothers. William I. Seaton was another. Both of them are living. One of them is in Hardin Co., Tenn. and the other is in Alabama. She did not have any sisters I never made application to the Dawes Commission; this is the only application I ever made. I have a cousin named Levi Henry Seaton, living in Ala., and he has made application. His father was an uncle to my mother.

Dear Sir

No doubt you have long since dissided as to my claim No 42892 as I understand that the time for hearing on all rejected claims was set for the 3rd Monday in Oct. I would be glad to no if you have dissided on my claim. Some of the rejected claims have received letters from W. W. Wright of Washington and he said the Chief Justice has recently taken action which

extends the time for filing
exceptions. In the matter of
rejected Eastern Cherokee money
claims until Oct-30. Next
he did not say 1909 or 1910. Which
did he mean. I have not had any
notice of the extension of
time it seemed to me that
the court should have been the
one to have notified the clients
of the extension of time.
I hope however that you all
will be kind enough to
tell me what you have done
with regard to my claim.
As I am not giving any heed
to those Washington
attorneys for they are money
grubbers.

what you have done in regard
to my application, if my

Madam:

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why your name does not appear on the roll of 1851, and why those of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Have you been enrolled or attempted to be enrolled by the Dances Commission? If so, give the number of your enrollment and indicate on what roll your name appears.

Did you or either of your parents ever participate in any Old Settler payment? If so, state when and where.

Give the names of those ancestors who ever lived with any Indian tribe, also the name of such tribe, and state the time when each lived with that tribe, naming the county and state where they then lived, and what part, if any, they took in the tribal councils.

App. No. 42409

Mr. Glevinger,
Blue Jacket, Okla.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the name of your mother and those of your other ancestors through whom you claim Cherokee descent and who were living in 1875 and 1881, do not appear on the Cherokee rolls of those dates.

Kindly furnish us with the full names of your maternal grandparents, together with those of their children.

Have you been enrolled by the Dawes Commission? If so, give the number of your enrollment and indicate on what roll your name appears. Did your mother or any of your ancestors ever participate in any old settler payment? If so, state when and where.

Were you or any of your ancestors ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Give the names of those ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived, and, in fact, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

App. No. 42414

May 26, 1906.

Nancy E. McKenzie,
Lawrenceville, Ga. R.F.D.1

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Through which of your parents do you claim Indian descent? Were any of your ancestors ever held as slaves? If so, state by whom they were owned.

Give the names of those ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived, and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

 the Cherokee. I never heard of my mother and my grandmother
 living with the full tribe. I claim Cherokee blood.
 My great grandmother came from F. C. I never heard of her
 living with the tribe. I think that I had Cherokee blood.
 just because my mother told me that my grandmother was
 half Indian Cherokee tribe. I don't know whether my
 great grandfather was a white man. My grandfather was part
 Indian too. My mother and grandmother and father never
 got any money or land from the Govt. So I know of an account
 of their Indian blood. In 1882 my mother and I were living
 in Hall Co., Ga. I have heard my mother speak of the Indians
 being driven out of this country. I don't know whether my
 grandmother was born at that time or not. I don't remember
 hearing of a tree in 1882 that the Govt. made with the
 Indians.

App. No. 42431

May 26, 1908.

Nancy Holloway,
Suches, Ga.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your grandparents do not appear on the Cherokee rolls of 1835 and 1851.

Through which of your parents do you claim your Indian descent? Were any of your grandparents through whom you claim Indian descent, ever held as slaves? If so, state whether they were owned by white people or Indians.

Give the names of those ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time they lived with such tribe, naming the county and state where they then lived, also what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

Savannah, G.

Madam:

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1855 and 1851, do not appear on the Cherokee rolls of those dates. There was Elizabeth Ward living in 1851, and what was her age at that time? Did she ever live west of the Mississippi River? If so, when did she move there?

Were you or either of your parents or any of your ancestors a slave holder or slaves? If so, state whether you or they were originally white people or Indians.

Give the names of those ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived, and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your grandparents through whom you claim Cherokee descent do not appear on the Cherokee rolls of 1835 and 1851.

Give the names of your grandparents and other relatives who were ever held as slaves and state whether they were owned by white people or Indians.

Give the names of those ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived, and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

Rec. JUN 13 1908
No. 42439.

Livingston, Tenn.

June 11, 1905

Guion Miller,

Special Commissioner of the
Court of Claims.

Dear sir:—

Relative to your letter in regard to
my claim in the Eastern Cherokee
Fund, I do not know the reason why
the names of my grandparents do not
appear on the Cherokee rolls of 1835
and 1857 They might have wandered
away for some reason. They lived at
Cartage, Tenn. near 1857 if not at
that time. They have been dead for
a no. of years. I think from the
best information I can get that
my ancestors come from North
Carolina. If they were ever held
as slaves I have no knowledge of
it as most of my ancestors are dead
I do not at the present ^{know} the names of
my ancestors who lived with an Indian
tribe. I have a great uncle living
somewhere in Periton County Tenn.
a brother of my grand mother Hunt
who was an Calkins and married
a Hunt.

His name is Eli Adkins. I guess
you have his name ^{given it} has been sent
you by others who claim Cherokee
descent through the Adkins.
So this may be a reference in
regard to the tribe and the part
taken by them in tribal Councils.

I trust that this may be satisfactory
if I can give you any more
information I will gladly do so.

My Application No. is 42,439.

Very respectfully

Mary J. Stone,
Grand Prairie, Texas.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Do you make any claim to Indian descent other than through the Hatchers? Did either of your parents or any of your ancestors ever participate in any Old Settler payment? If so, state when and where. Have you been enrolled by the Dawes Commission? If so, give the number of your enrollment and indicate on what roll your name appears.

Was either of your parents or any of your ancestors ever held as a slave? If so, state whether they were owned by white people or Indians.

Why have not your parents made application to participate in this fund?

Give the names of those ancestors who ever lived with an Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived, and what part they took in the tribal councils.

Mary J. Stone being first duly sworn deposes and says:

My name is Mary J. Stone, and I live in Grand Prairie. I am 31 years old. I claim my Indian descent through my mother Mary Ellen Hatcher (maiden name). My mother was born in Humphreys County, Tenn. She is still living in Cooper, Tex. She did not apply because she did not hear of it in time. She did apply for land and money in 1894 in the Indian Territory and this was allowed her on account of her proving up her Indian blood. She left there because my father was dissatisfied and ~~she~~ came to Tex. My mother was born in 1852. She got her Indian blood through her father John Hatcher, who lived and died in Tenn. I do not know what recognition as an Indian my grandfather had in Tenn. but always heard he was a Cherokee. I do not know how much Indian he was. John Hatcher got his Indian blood through his father, John or Jack Hatcher, who was said to be a full blood Indian.

The affiants should state how they gain a knowledge of the facts to which they testify

I have lived in this County all my life. When I was a young man I worked for Jonathan Withrow, father of R M Withrow. I always heard and it was commonly known that Margaret Withrow ^{his wife} whose maiden name was Patterson, was a quarter Eastern Cherokee Indian. It was claimed by the family and known among the neighbors. Her hair, eyes and shape of her face and head all indicated that she was part Eastern Cherokee Indian. Her brothers were merchants in Eljay Ga, did a large business and were generally known as part Eastern Cherokee Indians. They were brother to the applicants mother.

We further declare that he has no interest in said case and am not concerned in its prosecution.

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. AUG 31 1907

Appln. No. 41755.

June 1, 1908.

Sarah Ann Dart,

Ollie, Georgia.

Madam:

Relative to your application for participation in the Eastern Cherokee fund please state why you, your parents and your grandparents, were never enrolled? Were any of your ancestors parties to the treaties of 1835-6 and 1846? State clearly the name of the ancestor through whom you claim and where that ancestor resided in 1835 and 1851? Were any of your ancestors slaves? Do you pass as white or colored in the community in which you live?

Give any other information obtainable tending to establish your right to share in this fund.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

Hon. Union Miller
Special Com'r.

Dear Sir:

Reply to your letter of June 1/08
relative to app. No. 41755. I answer through my
Atty T H Tabor Ellijay Ga as follows:

I do not know why my ancestors were not enrolled
unless they thought enrollment unimportant, were not full
bloods and were well to do and neglected it.

My mother descended from the Thomas Indians, Eastern
Cherokees in Western N.C. and they were parties to the
different treaties, as I understand it. I descended
as stated in my application. My ancestors were
not slaves. I pass as white, but part Eastern
Cherokee Indian where I live.

My ^{Grand} ~~Cousin~~ mother Cousin, Geo. Mann or Morrow, went
to the Indian Territory & drew land and money as an
Eastern Cherokee Indian.

Respectfully submitted,

Sarah Ann D. art.

Robert M. Witherow being first duly sworn, deposes and says:

That I am 70 years of age and live in Gilmer Co., Ga. I claim through my mother; my father was a white man. My mother's mother claimed Indian. All of my other grandparents were white. My mother was born and raised in Cherokee Co., N. C. She was born in ~~1813~~ 1813. She lived in Cherokee Co. for thirty years and then moved to Gilmer Co., Ga. and lived there until she died. My grandmother was married long before my mother was born. My grandmother's maiden name was Marr. I never lived with the Indians, nor did my father. My grandmother Marr lived with the Indians in Cherokee Co., N. C. She left Cherokee Co. in 1838 and then went to Gilmer Co. The Indians all moved off and my grandmother went with them to the Ter. She stayed out there until she died. She died a short time before the war, about 1855 or 1856. She got land out there in the west from the government. My grandmother's brother Peter, Joe and Alex all went out west when she did. My grandmother was not on any roll that I know of. My father was not on any roll, nor was my mother. I nor my mother never received any money from the government by reason of our Indian blood. My mother died in 1867. I am recognized as white in the community. My mother's brothers were: Peter, Andy, Bob and Joe. They went to the Nation in the west. The report is that they got land out there with the Cherokee tribe. My mother claimed 1/2 Cherokee. My grandmother Marr was a full blooded Cherokee. My wife is a white woman.

The first of these is the fact that the Cherokee people have been
 subjected to a long and cruel persecution. They have been
 driven from their ancestral homes, and have been confined to
 reservations where they are treated as a second-class
 citizenry. They have been denied the rights of citizenship,
 and have been subjected to the same discrimination and
 prejudice that has been meted out to other minority
 groups in this country.

The second of these is the fact that the Cherokee people
 have a rich and varied culture, and a long and
 distinguished history. They are a proud and
 independent people, and they have a strong sense of
 community and family. They have a rich
 heritage of art, music, and literature, and they
 have a deep respect for their traditions and
 customs.

The third of these is the fact that the Cherokee people
 have a strong sense of justice and a deep
 respect for the law. They have a long
 history of peaceful resistance to
 oppression, and they have a strong
 belief in the rights of all
 people to equality and
 justice.
